10. Reports:

Supervisor: Reminder to all that OMA training should be done by next month. There were some issues earlier with the portal but it is now up and running. Supervisor Brokaw has been in contact with Direct Design regarding designing needs. There is a chamber luncheon coming up. Supervisor Brokaw is not able to attend, if someone would like to go in her place. Trustee Cullotta may be able to go. There is also a training in Rockford on May 26th for those that are interested in attending. The Annual Conference in Springfield is in person this year November 13-15th for those interested.

Assessor: Assessor Benitez has hired someone who will begin June 2nd. She has some experience so hopefully there will be limited training. Doing site visits; getting phone calls as taxes went out this week.

Highway Commissioner: Recycling event was last week; weather conditions were poor but still had many people come out. They added gravel, worked on the ditch lines and got rocks. They are working on the culvert on Davis and Perkins. Inmates will be helping out next week.

Clerk: Supervisor Brokaw gives a reminder that Clerk Stack is in need of the receipt for the Statement of Economic Interests, if you have not already done so.
