

“We believe that every child deserves to feel wanted and loved. We believe every caregiver deserves to be treated with respect and dignity. We believe every family deserves support so the children can thrive.”

Who We Are

Kids In Need of McHenry County is a 501(c)(3) public charity that services McHenry and Lake counties. We provide case workers, social workers and caregivers needed resources so the children in their care can thrive.

Our Resource Program

Second Bridge is our resource program. We have a distribution center in downtown Crystal Lake filled with clothes, diapers, bedding, toiletries, toys and much more. Registered families are invited to shop for free. We also offer delivery services for requested needs from families, organizations, agencies and schools.

Your support makes an immediate and lasting impact on the lives of the most vulnerable children in McHenry County!
